

# Trillion Dollar Footprint

## Directions

What kind of online information would you want linked to your name in 10 years? Design your own digital footprint! Fill in the footprint below with images, Web hits, and types of information that you would want to see linked to your name in 10 years. Examples: “a social networking profile on Facebook or MySpace; a YouTube video of me performing with my rock band; an online newspaper article about my work to help the homeless.” Be creative!

### Use Common Sense!

You can have a great time online learning from and sharing with others, but:

- Think before you post, because many things you do online will add to your digital footprint
- Remember to review your privacy settings
- Perform a search on yourself every so often to see what your digital footprint looks like
